

Whitehouse Primary School

Year 5 and 6

Art

Monochromatic: How can we find our own style?

In this drawing unit, children will explore different styles of drawing to develop an understanding of their own style. They will learn specific skills and techniques so that they can confidently use shape and value to create form in their drawings. They will understand when they might choose different pencils and the effect their choice may have. They will be able to articulate their observations and will evaluate their own work.

History:

How has crime and punishment changed over time in Britain?

In this crime and punishment unit, children will build on their knowledge of periods in history that they have studied through KS2. Children will explore using different historical disciplinary concepts, how crime and punishment has changed over time in Britain.

Crime and Punishment

RE

Jews: how does remembering maintain Jewish identity?

In this unit pupils will study three Jewish festivals and the stories connected to them: Rosh Hashanah, Purim and Chanukah. They will make links between the stories of Esther and Judas Maccabee and the continuing survival of Jews. They will examine diversity within these festivals.

Jesus: how did he speak truth to power?

In this unit pupils will focus on four key stories from the Gospels where Jesus directly challenged his society. They will see how his questioning of wealth and religious observance caused opposition at the time. They will investigate how these ideas influence Christians living today.

History:

How has crime and punishment changed over time in Britain?

Pupils will explore what was seen as a crime over time and the different gruesome punishments that were handed out to criminals. The children will find out about the development of the police force from the Victorian period right through to the new millennium.

Maths

Number – number and place value
Number – addition, subtraction, multiplication and division
Number – addition, subtraction, multiplication and division
Number – fractions
Geometry – position and direction

Reading

Comprehension crushers

Teaching key comprehension skills, helping children to retrieve, develop vocabulary, make inferences and explain their answers using evidence.

Spelling

Spelling with Grammarsaurus

Spelling program focussing on morphology (the meaningful parts of words), etymology (word origins), and phonology.

English Book Study

Science

Animals including humans: How do animal's living systems work together to maintain a healthy system?

During this unit of work, children will learn about the importance of the circulatory system and how it transports oxygen around our body. They will learn about the heart and how it is an important muscle in our bodies. Children will learn about their heart rate and different activities that can increase the heart rate. Children will learn about being healthy and things they can do to lead a healthy lifestyle as well as learning about things that people do that can cause them to be unhealthy.

Computing

Introduction to Computer Systems:

In this unit pupils will explore computer systems and how information is transferred between devices. They will explore the input, output and processes of a variety of different real-world systems. Pupils will discover how information is found on the WWW through learning how search engines work.

Video Production:

In this unit pupils will discover how to create short videos. As they progress through this unit, they will develop the skills of capturing, editing, and manipulating video. Pupils are guided with step-by-step support to take their idea from conception to completion and evaluation.

ONLINE SAFETY

PSHRE

Topics covered will be:

Emotions - Pupils then learn how to manage these emotions and begin to build their toolkit of strategies

Communities - Pupils will expand their understanding of kindness and start to think in more detail about the expectations they should have for their own and other pupils' behaviour.

Healthy relationships - Pupils will build on their early experiences, helping them recognise that families come in many forms.

PE

Tag rugby / SAQ
Dance/Gymnastics

Music

Apollo Arts will be delivering:
Ukulele

Tuned and untuned percussion
