

Whitehouse Primary School

Lower Key Stage Two

Art

Monochromatic

In this drawing and collage unit, children will develop their drawing skills by observing and drawing facial features. They will explore how lines, shapes and textures can create realistic faces and take inspiration from a range of artists.

History

Ancient Greece

In this Ancient Greece unit, children will explore Greek life and achievements from the Minoans to Alexander the Great. They will learn about Athens and Sparta, trade, warfare and important leaders, before considering the greatest achievements of Ancient Greece.

What were
the greatest
achievements of
Ancient Greece?

R.E.

Muslims: How does prayer and fasting help Muslims find harmony?

Children will explore how Muslims use prayer and fasting to strengthen their relationship with Allah and bring harmony to their lives.

Festivals: How do ancient stories influence modern celebrations?

Children will explore Diwali and Christmas, learning how ancient stories and beliefs influence the way these festivals are celebrated today.

Autumn 2

Gymnastics

Science

Animals including humans

Children will learn about the main parts of the digestive system and their functions. They will identify the different types of teeth—incisors, canines, premolars and molars—and understand their functions. They will investigate how different drinks affect teeth and explore food chains, including producers, consumers, predators and prey.

Reading

Comprehension crushers

Teaching key comprehension skills, helping children to retrieve, develop vocabulary, make inferences and explain their answers using evidence.

Spelling

Spelling with Grammarsaurus

Spelling program focussing on morphology (the meaningful parts of words), etymology (word origins), and phonology.

PSHRE

Emotions: How do I feel today?

Pupils will recognise and name emotions and learn ways to manage their feelings.

Communities: Who am I? Who are you?

Pupils will explore kindness, positive relationships and how to seek help when needed.

Healthy Relationships: Who's in my family?

Pupils will explore different families and the importance of love, care and support.

Computing

Computer Networks

Children will learn how digital devices work and how computer networks connect devices.

Stop-frame Animation

Children will create a stop-frame animation and enhance it with text, music and other media.
